Puttasubbamma's appointment as Asst mistress of the Girls' School Chickballapur on Rs 50 p m was sanctioned vide serial no 78 of file no 17-96 (hereinto putup) She is now in the F A class of the Maharani's College M C Subba Rao, of the same Institution was sent to Chickballapur on his own pay the pay sanctioned for Puttasubbamma is available & it is this pay that is proposed to be utilized by the appointment of Venugadamma, as Asst mistress in the Maharani college -

to here in Not order under which Puttasubbamma was granted a scholarship & allowed to join the F-A class of the Maharani's College & now says that she has obtained employment at Chickballapur & that Mr Rao is the said College & has framed a new rules whereby under the said rules Rs 15 per each name. The immediately provides for a vacancy to the Asst mistress at Chickballapur relating to the matter. I believe the matter is before the Council -

I do not think there is any guarantee of appointment for qualified candidates with the Maharani's College

NB—Should notes etc be written on small slip the notes must be copied on the slips passed on this form

Nothing was said of Subba Rao in that order the D'gl in his letter No 9074/416 d 26th March 1900 did not raise the question of the transfer of Subba Rao & the Chikballapur girls' School when the Scholarship was sanctioned in favor of Putta Subbamma It appears, that Subba Rao was transferred, and without reference to Govt, the Pay of Subba Rao being Rs 50

(See Putta Subbamma Papers Section B)

It is not clear why a new teacher should be appointed when two F.A's on Rs 150 each have also immediately provided for

This is now explained in letter No 77, 9,4141 from the Lady Supt of the Maharanis College (to the D'gl) (Enclosure is letter No 88/97/390 9/4/01 from the D'gl of Schools & Secy to Govt)

Rule re the appointment of the Two F.A's referred to above is put up It was under circulation and was ordered to be brought before the next meeting of Council As per orders of the Officiating Dewan, further information re the appointment of these ladies in institutions other than the Maharani's College, has

No definite orders have been passed regarding the pay of the given of Matriculated female teachers. This question was "never settled as a general question" "Lakshmi-devamma's case was dealt with on its own merits and it was understood that there was then no need for dealing with it as part of a general question" So when Puttasubbamma's case was considered, when before she wanted to know what pay she would be given, it was remarked by the secretary that "Puttasubbamma cannot quote it (Lakshmi devamma's case) as a precedent and claim a salary of Rs 100"

I Appointment of Vengadamma, a matriculated lady (Decr 1900)

(1) The question: How the services of Vengadamma are proposed to be utilized in the Maharani's College has not been clearly answered in the concluding portion of the Lady Supdt's letter No. 77 of the 4th April 1901, it is stated that the "want of the services of a teacher to look "after the working of the Infant "Deptt was much felt" and it was therefore "proposed" "to appoint Vengadamma temporarily to relieve one of the male teachers" of the college for entrusting him with Mr Subba Rao's work" (who is now working as Asst in the Chickballapur Girls School, having been transferred to

I would in this connection suggest the consideration of the question whether for the management of schools, these young ladies who pass Exns are quite suitable I have seen only one case of an elderly Hd Mistress in Shimoga, and I found that the school deteriorated in many respects while in her charge I do not It seems as if women cannot command large institutions for lack of stamina I do not know what it may be in other cases, but with our social habits, this seems to be inevitable

Could not additional Supernumerary teachers of this kind be stationed in places like Bangalore & elsewhere

Some as Private Tutors in families which are willing to pay at fair rates for their services? They get very liberal rates of Pay & the fees collected may be credited to Govt as some return for the outlay A fairly uniform rate of fees — high enough to be appreciable reward for services rendered may be prescribed If this is approved, the Insp-Genl and Perhaps the Committee of the College may be Consulted

The revised rates now proposed by Mr Bhabha seem to be certainly liberal enough as an incentive to progress in higher Education

Sir,

With reference to your dockets No $\frac{12677}{Ed\ 3\ 456}$ of 27th March and No $\frac{13224}{Ed\ 3\ 17-96}$ dated 6th April 1901, I have the honour to enclose herewith copy of letter No 77 dated 4th April 1901 from the Lady Superintendent Maharani's College to the Inspector General of Education which explains the need of the services of Vengadamma I am not in a position to say whether one of the two lady 3 A 's can do the work proposed to be given to Vengadamma or some other arrangement can be made which would render Vengadamma's appointment unnecessary The Lady Superintendent whose letter I forward and who has no doubt consulted the Honorary Secretary of the Committee before writing it is evidently of opinion that Vengadamma's services are required in addition to those of the two lady 3 A 's

2 I submit that it is not possible for me to answer questions like those asked in connection with Vengadamma's appointment

appointment until the whole administrative control of the College is given to me, and the Committee is considered to be a Committee of Visitors, as it really is, without any controlling functions At present so much of the administrative control is vested in the Committee and Honorary Secretary that my share in the management of the College is but small

3. In connection with the questions raised about Vengadamma's appointment I would point out the necessity of some settled policy and rules regarding the employment of the passed pupils of the Maharani's College At present higher education is sought by girls of the poorer classes not for its own sake but in the hope of obtaining handsome scholarships during the period of study and a well paid appointment after passing Vengadamma is such a girl She has passed the last Matriculation examination and is now seeking employment Now that the Maharani's College has been fully organised as a High School and College, every year there will be a succession of Matriculates and F A 's seeking employment If it is the policy of Government to give higher education to girls of any social position with the idea of employing them as teachers in girls' schools it would be well to lay down a scale of pay suitable for the next few years and dispense with the services of an equal number of male teachers of girls' schools when they are employed After much thought and inquiry it seems to me that Rs 30 rising to Rs 50 in grade D1 would be a liberal salary for Matriculated female teachers and Rs 50 rising to Rs 100 in grade C4 would be a liberal salary for F A female teachers

With reference to your D O of the 1st Instant enclosing docket No. 12677/456 of 27th ultimo from the Secretary, Revenue and General Departments and enquiring how the services of Vengadamma are proposed to be utilized in the Maharani's College, have the honour to state that Vengadamma's appointment in the Maharani's College will be only temporary until the proposals of the College Committee for providing her with a permanent appointment, are sent up to Government.

When Mr C Subba Rao was transferred in May to act as Head Master of the

the Chikballapur Fyrls' School till the end of December 1900 the Honorary Secretary considering that a substitute was necessary proposed in his docket No 61 of 21st May 1900, the appointment of one Mr M P Subba Rao, to act for him during his absence at Chikballapur As Mr M P Subba Rao secured a permanent appointment elsewhere, the appointment of another to act for Mr Subba Rao was not pressed at the time as the College had to be closed soon afterwards on account of the Royal Marriages and later on on account of Plague at Mysore In november the Honorary Secretary in his docket No C7 of 9th Nov 1900, applied for the service of Mr Subba Rao from 1st Jan 1901 and explained in his docket No 412 of 3rd Dec 1900 that Mr Subba Rao's services were urgently required to supervise the working of the Infant Department. As the Inspector General wrote on the 31st Jan 1901 to say that he found it difficult to relieve Mr Subba Rao then and that there would be some delay in sending him back, and as the want of the services of a teacher to look after the working of the Infant Department was much felt it was proposed in February 1901 to appoint Venzadamma temporarily to relieve one of the male teachers for entrusting him with Mr Subba Rao's work

Bangalore.

Sir,

I have the honour to inform you that the Committee for the management of the Maharani's College at a meeting held on the 22nd Instant recommended that Vengadamma who passed the Matriculation Examination of last December and who now holds a temporary appointment of Assistant Mistress on Rs 50 in the Maharani's College should be provided with a permanent place on Rs 75 as a special case

2 In this connection I would invite the attention of Government to my letter No 8897/390 of 9th April 1901 stating the desirability of fixing a scale of pay for passed lady teachers It is also desirable to decide whether the services of male teachers should be dispensed with

when they are replaced by

3 In the case of Kungadamma Dharmaratne it should be stated that before she commenced to study English some years ago she had a chance of obtaining employment on Rs 75 a month as a Vernacular Teacher who had passed the Upper Secondary and Training Certificate Examinations along with others who were so employed She had however an unusually long course of English instruction as she made three unsuccessful attempts to pass the Matriculation Examination, and held all along a scholarship in the High School classes
